Sqwincer® 5-Gallon Cooler

Designed to stand up to the toughest industrial environments. High-density polyurethane foam keeps contents colder longer, and the durable plastic outer jacket protects the cooler for years of reliable service. Large wide mouth opening makes filling easy, and the lid tightens and opens with a quick quarter-turn. Stain-resistant liner has easy to read graduations in both 1/2-gallon and metric liter increments, so mixing is easy. Yellow/blue.

While Most Suppliers Simply Deliver Products

Nelson-Jameson Delivers Solutions

See Why We Are So Much More Than A Supplier:

Supplier Consolidation

Distribute over 79,000 products from over 1,000 manufacturers—providing the convenience of one order, one shipment, and one invoice.

Geographical Reach

Dedicated staff available to serve you from five distribution centers strategically located throughout the U.S.—local stock where you need it most.

Food Industry Expertise

Expert team of seasoned industry professionals with an extensive cheese and dairy plant background.

Regulatory Compliance

Dedicated in-house Regulatory Affairs team, and employees are HACCP, Allergen, GDP, and SQF trained.

Superior Logistics

Scheduled truck route delivery service and flexible delivery options to improve on time delivery and reduce your inbound freight expenses.

Chain of Custody

SQF compliant and audited processes allowing pickup at manufacturer and delivery to customer.

Food Safety Programs

Developed specifically for food and dairy processors and inspired by FSMA, regulatory bodies, and the latest research in food safety and quality.

Safety Glasses
